

valve-flange protectors

Tapered-body and wide-flange design helps this closure protect the entire machined surface of a valve flange. Ideal paint mask. Friction fits to the valve bore. Seals out dirt and contamination.

Specifications

- Material: Low-Density Polyethylene
- Colour: Orange

Note: does not cover bolt holes.

Nominal Pipe Size (inches)	Part Number	Dimensions (inches)				Flange Thickness
		I	J	G	H	
1/2	109	.540	.585	1.440	.500	.250
3/4	110	.720	.750	1.688	.500	.030
1	111	.940	.970	2.000	.625	.030
1-1/4	112	1.360	1.400	2.560	.625	.040
1-1/2	113	1.600	1.640	2.875	.750	.040
2	114	2.040	2.100	3.625	.750	.050
2-1/2	115	2.440	2.500	4.125	.750	.050
